Sophie obtained a Master of Laws from the University of Antwerp in June 2018.

During her Master's programme she specialised in **civil law and criminal law**, developing a special interest in **liability law**.

After her summer internship with "Stibbe", working in the firm's "Real Estate and Construction" department, she became interested in **real estate and construction law**.

Sophie has also built up experience in **medical law, traffic law and insurance law**. In addition, she obtained the necessary qualifications to offer Salduz assistance (during an interrogation).

Sophie was admitted to the Antwerp bar in September 2018.

In November 2019, she joined Caluwaerts Uytterhoeven Advocaten, where she mainly focuses on the fields of **property, construction and public procurement** under the supervision of Professor Dr. Kristof Uytterhoeven.

Sophie has been co-editor of the **Journal of Construction Law and Real Estate (Tijdschrift voor Bouwrecht en Onroerend Goed)** since 2023.
